

A RESOLUTION

WHEREAS, The City Council of the City of LaMoure, North Dakota, by virtue of City Ordinance #15.0102, addresses amendments to the building code, and

WHEREAS, the City has an interest in aesthetic appeal on structures within the City;

NOW THEREFORE, it is resolved that a new Ordinance shall be created, 15.0105, and shall be as follows:

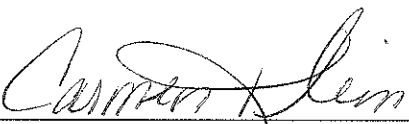

- A. Galvanized steel will not be allowed on structures within residential areas, including roofs and siding. Galvanized steel shall be allowed on grain storage structures that are designed solely for grain storage.
- B. The above ordinance shall be effective December 1, 2014.

Dated this 1st day of December, 2014.

Craig Good, Mayor

ATTEST:

Carmen Klein, City Auditor
